WORK EXPERIENCE

Economic Analyst, Nikore Associates, Bengaluru, India (Hybrid)

Dec'25 - Jan'26

- Utilized **Advanced Excel** functions including **XLOOKUP, INDEX-MATCH, SUMIFS, and Pivot Tables** to analyze transport and ridership datasets, identify commuter trends, and generate management reports.
- Performed **data analysis**, expenditure tracking, and budget reporting to evaluate spending patterns, operational performance, and policy effectiveness.
- Delivered **data-driven insights** through analytical reports and dashboards, supporting strategic planning, stakeholder reporting, and business decision-making.

Business Associate, Jyesta Corporate Entity, Bengaluru, India

Jul'25 - Oct'25

- Developed **Excel** and **Power BI** dashboards to monitor **sales performance**, revenue trends, conversion rates, and key business **KPIs** through automated reporting solutions.
- Analyzed CRM and customer datasets to identify sales opportunities, improve lead conversion, and support data-driven business growth initiatives.
- Maintained and validated 250+ CRM records, ensuring **data accuracy**, reporting integrity, and reliable business intelligence for management reporting.

Data Analyst Intern, NITI Aayog, Delhi, India

May'24 - Jun'24

- Analyzed program and financial datasets using **Excel** and **Power BI** to monitor **KPIs**, evaluate regional performance, and identify operational improvement opportunities.
- Developed **dashboards, reports**, and performance tracking frameworks to improve data visibility and support evidence-based **decision-making**.
- Generated actionable insights **from data analysis** and reporting activities, supporting program evaluation and strategic policy recommendations.

Credit-Risk Analyst Trainee, Devi Bankers, Calicut, India

Jul'22- Jul'23

- Conducted detailed **analysis** of financial statements, borrower profiles, and repayment histories to evaluate credit risk and lending feasibility.
- Monitored portfolio performance metrics and prepared analytical reports to identify trends, risk indicators, and business opportunities.
- Produced structured risk assessment reports ensuring **data accuracy**, compliance adherence, and informed lending decisions.

EDUCATION

Master of Science Economics

Jul'23 - May'25

Gokhale Institute of Politics and Economics, Pune, Maharashtra, India

Bachelor of Arts Honours Economics

Jun'19 - May'22

University of Delhi, Delhi, India

ACADEMIC PROJECTS

Advanced Excel Business Reporting & Dashboard Project | *Microsoft Excel*

- Developed automated **reporting solutions** using **XLOOKUP, INDEX-MATCH, SUMIFS, and Pivot Tables** to perform **data validation**, reconciliation, KPI tracking, and business performance analysis.
- Built interactive **dashboards, Pivot Charts**, and **management reports** to analyze large datasets, monitor business metrics, and support reporting requirements.

- Delivered actionable **business insights** through trend analysis, performance reporting, and dashboard creation, enabling **data-driven decision-making**.

CRM Sales Performance & Pipeline Analysis Dashboard | *Power BI* | *DAX* | *Excel*

- Developed an interactive **dashboard** analyzing **3,000+ CRM** records totaling 8.2M+ in deal value to track **sales performance**, pipeline movement, and conversion rates.
- Created **KPI reports, DAX measures**, and performance dashboards to evaluate revenue trends, deal closures, and business growth metrics.
- Generated data-driven insights through business reporting and dashboard analytics, supporting sales optimization and strategic decision-making.

Freight Forwarding Operations Dashboard | *Power BI* | *DAX* | *Excel*

- Developed a **logistics dashboard** tracking shipment operations, revenue, costs, profit margins, and operational KPIs across multiple transportation modes.
- Analyzed shipment trends, carrier performance, and profitability metrics through dashboard reporting and business intelligence techniques.
- Automated reporting workflows and dashboard updates, improving reporting efficiency and enabling data-driven operational decisions.
